## Playoff Recap

### Green vs. Gold

Green jumped on the throats of Gold right from the jump, leading at one point 20-4 during the first half. Gold was shorthanded without their second leading scorer Jeremiah Williams so Green definitely took advantage of that opportunity. Green never looked back during the game, even though Gold had decided to make a push in the last 8 minutes of the game. Gold had a chance to tie the game to bring it to overtime but was unsuccessful. Liam O'Neill – Harthorne led his team to victory with 20 points, 7 rebounds and 3 assist with his teammate Rory Ellis adding 9 points and 14 rebounds as Akim Ruot led his team with a strong effort but came out short with 17 points, 15 rebounds and an assist.

### Black vs. Grey

Black has been shorthanded all season, but still managed to get the #1 seed heading into the playoffs. Today they were without their guard Lavar Williams so it looked like Grey would have the advantage coming into the game. This didn't stop Black, they led the whole game working together to get the job done. Black was led by Mark Pereira with 20 points and Christian Williams added a double double with 12 points and 12 rebounds leading their team to victory with Sean Simpson leading his team with 18 points, 6 rebounds and 2 assist and Scott Elliott all over the board with 6 points, 8 rebounds and 7 assists in a losing effort.
